### The Amant's Story

Steven Amant started his small carpet cleaning company in 1969 - over 40 years ago.

Today, under the leadership of his son, Kevin, Amant's Floor Care has earned the reputation of being the metro area's premier carpet and hard surface restoration and maintenance company.

The Amant family believes in supporting small, locally owned businesses. "We strive to do a perfect job every time because our name is on the company and because you are our neighbors."
